HEAD SO DIZZY COULD NOT STAND

Lady Felt Like Falling at Times on Account of Trouble Which Was Finally Relieved by Cardui.

Nelsonville, Ohio.—"About four years ago," writes Mrs. Minnie Perry, of this town, "I had such spells with my head, I thought I could not live. I tried many different kinds of remedies, but they did me no good. It seemed I got worse, and my head would just get so dizzy, I would fall wherever I was standing, and I could not walk, unless I held up by something. The trouble all seemed to be in my head. About a year ago I saw Cardui, the woman's tonic, advertised and sent for a bottle. I got so much better that I used three bottles, and I gladly say I have never had any more trouble with my head. I can work hard all day now, and get up the next morning as bright and strong as ever. I know that Cardui saved my life, and I recommend it to other women who suffer, for I am sure it will help them, if they will only try it." Do you feel dizzy, weak, nervous, headachy, and run-down, generally? These are sure symptoms of womanly disorders, and should be given prompt attention. Take Cardui, the woman's tonic. Cardui has helped over a million weak women in the past 50 years. It will help you, too. [J.B.]
